Re: 17-029

Dear Ms. Wood:

Thank you for the opportunity to comment on the determination of nonsignificance for the Round and Long Lakes Boat Ramp Repair and Extension project. We have reviewed the documents and have the following comments.

SHORELANDS/ENVIRONMENTAL ASSISTANCE

Washington State Department of Fish and Wildlife should contact Ecology's Federal Permit Coordinator for Section 401 Water Quality Certification review regarding this project. Application materials provided to the U.S. Army Corps of Engineers for a Section 401 CWA permit should be submitted to Ecology for application and review of a Section 401 Water Quality Certification permit.

If you have any questions or would like to respond to these Shorelands/Environmental Assistance comments, please contact **Andrea Jedel** at andrea.jedel@ecy.wa.gov or (509) 454-4260.

Sincerely,

A handwritten signature in blue ink that reads "Gwen Clear".
